

August 2, 2016

Dear CHC Clubs and Organizations,

The Colorado Horse Council is in the final stages of development for the Colorado Equine City Hall (CECH) Project. This program will allow clubs and organizations to become united under one website and assist each organization with their outreach, club administration and networking.

For clubs to be able to utilize the Colorado Equine City Hall we are asking that you provide us with an electronic list of your shows, meetings, trail rides and your special events. These will be placed in the CECH database for all to view.

Your club members will be able to go to this website to find their club news, their meeting minutes and to network directly with other club members. Your committees can leave their notes on the site and communicate with other committee members as well. Each member of your club will have to go to the CECH site and create an account. If you would like to generate an electronic account for them in advance, please contact the Colorado Horse Council Office (303-292-4981).

Club membership renewals will be coming up at the end of 2016. The CECH can assist your club with sending out the dues notices to your members, and also collect the dues online and generate reports for your club. Other individuals interested in becoming members of your club may sign up/register at this site as well. Monies from membership go directly into your account. To set up this club membership administrative benefit, contact the Colorado Horse Council office (303) 292-4981.

We look forward to helping your organization grow, and thank you for being an important part of the Colorado Horse Community.

Sincerely,

Bill Scebbi
CEO/Executive Director
Colorado Horse Council
