This Photograph is of a grey Mustang stallion from the Sand Wash Basin HMA here in Colorado. Taken in May of 2018. The mustangs of Sand Wash Basin are near and dear to my heart as they are to many people across the country. I believe their future lies in our hands and the public needs to be aware of the issues surrounding them. This photograph will be printed on metal to enhance water/reflection in photo.

'Pondering The Plight of Our Mustangs'
